GRAVEL RIDE TOUR BY NUTRISPORT SANT FRUITÓS DE BAGES

As part of our event, we are organizing an outing specifically designed for gravel bike enthusiasts. It will be necessary to [download the track](#) to a GPS device. To ensure proper identification, wearing the mandatory wristband will be required. The route will cover a distance of 61,63km, with one refreshment point during the circuit and another at the finish line. This Gravel ride is a non-competitive cycling tour. Our goal is for participants to enjoy this day to the fullest.
